JIM DEGLIUMBERTO JOINS SOUTHEASTRANS EXECUTIVE STAFF

January 26, 2009 – Jim Degliumberto has joined Southeastrans executive staff as Chief Information Officer. Before joining Southeastrans, Degliumberto spent 10 years in various information technology divisions of BellSouth and AT&T. He was responsible for designing and implementing an enterprise wide productivity tracking and reporting system resulting in a \$7 million savings within a year of implementation. Following the BellSouth/AT&T merger, Degliumberto was responsible for developing a consolidated information technology strategy and infrastructure plan for AT&T's residential call centers.

Degliumberto is a graduate of Rutgers University where he earned a bachelor's degree in Environmental Studies. He also holds a master's degree in business administration with a concentration in information systems from Georgia State University. He is a member of the Technology Association of Georgia.
