LISA LEACH JOINS SOUTHEASTRANS AS VICE-PRESIDENT OF OPERATIONS

October 26, 2009, Atlanta, GA – Southeastrans is pleased to announce that Lisa A. Leach has joined our executive team as Vice-President of Operations. She comes with over 20 years experience in operations administration. For the last 15 years Leach has overseen the implementation and development of broker-based, non-emergency transportation (NET) programs in more than 18 states. Her vast experience in NET services includes core accreditation, quality improvement and assurance, policy and procedure development and deployment, RFP response and implementation, contract negotiation and compliance, program administration, and staff development.

Leach's role at Southeastrans will include oversight of non-emergency transportation contracts in Georgia and Tennessee.
